

Committee Reports

4th Annual General Meeting

19 March 2008

Fundraising Committee

The fundraising committee met three times during the 2007-2008 academic year. Our work included a submission to the Benjamin Moore Grant and supporting the Steward in developing and pursuing fundraising and funding opportunities. In the coming year we plan to facilitate a process to develop a strategic plan for funding and fundraising over the coming years.

Respectfully Submitted, Marisa Barnhart (Chair)

Physical Plant & Grounds

Pertinent information covered in the Steward's Report.

N.B.

Committee development & review has been identified as a priority for the 2008-09 Board of Directors.
